SUPA
Laminates

Supa Laminates is the place where passion meets excellence, creating what can be best described as hallmarks of quality and elegance. One of the top laminate companies in India, Supa Laminates offers world-class laminate sheets in myriads of textures, colours and designs. An ideal solution for both residential and commercial spaces, our laminate sheets come with a number of distinct properties such as antibacterial, fire retardant, scratch and impact resistance and many more

We at Supa Laminates are a professionally managed corporate entity under the leadership of our Directors Shobhit Aggarwal / Rohit Aggarwal engaged in the manufacturing and selling of Decorative Laminates, High-Pressure Decorative Laminates & Door Skins as well. We have experience of around 3 decades in this industry and are able to set up a state-of-the-art manufacturing facility in Sampla (Rohtak), which is the Industrial area of Haryana, India. We have a team of professional designers under the leadership of our Design Head and the Think Tank behind all the products, Mr. Rohit Aggarwal who keeps on innovating new designs and its applications. It is because of him, we are able to design some fantastic catalogues, which are widely appreciated by eminent architects, design experts and end users. Our Group consists of two manufacturing facilities. Our Logistics Department is dedicated to delivering all the sheets produced to our esteemed clients on time in different parts of the country. Our Exports Department is focused to develop new markets across the globe and take responsibility of getting the correct
