The country knows our products by the Brand name of "SUPA". Catering to widespread distribution network in all over the country, we stand as the true pioneers of our industry. Our products have proven to be the best in terms of durability, design, style and cost efficiency. We are known for our commitment to high standards and qualitative excellence, which leads us to the apex to customer satisfaction. This trait of ours has earned us insurmountable reputation in the industry. Our highly experienced production team believes in innovation, which leads to research and development of new design and technology. A team of constantly progressing ingenious people is the secret of our success. We owe our business standing to their unbeatable levels of dedication, commitment and resourcefulness. Our continuous effort in the pursuit of excellence in what we credit for such a significant position in the thriving economy of India.

Our valued clients bestow their trust upon us, and we reward the trust, by transforming their dreams into tangible reality by providing an exquisite range of luxury interior infrastructure products.

We at "SUPA" have established a dedicated manufacturing unit for high pressure decorative laminates at Sampla (Haryana) near New Delhi. This unit stands as a recent example of our constant progression. Our promise is to constantly evolve with the dynamic world in our quest to keep our clients contented today, tomorrow and for years to come by advancing our products and services. Our promise is to serve you best and our brand speaks for itself. We always deliver more than what we promise.
